

HIGHLIGHTS (SUBJECT TO CHANGE)

Robin K. Wright will meet you at the Sandspit Airport on the afternoon of June 22, 2017, and accompany you to the Inn at Sandspit. On the morning of the 23rd you will have breakfast at the Inn before traveling to the Haida Gwaii Museum at Kay'llnagaay for an introductory tour of the art and culture of the Haida. This will be followed by a luncheon in Skidegate of traditional Haida foods before boarding the *Island Roamer* when your sailing tour to the remote sites on Gwaii Haanas begins. Your voyage will stop at K'uuna (Skedans), T'aanuu, and SGang Gwaay (Ninstints: a UN World Heritage Site that has the largest collection of standing poles with some two dozen weathered tributes to the Haida ancestors and artists of the 19th century) and possibly other old village sites of Cumshewa, Windy Bay, and Rose Harbour.

Birds, and other terrestrial wildlife have been protected by the Haida Nation and the Canadian government with the creation of the Gwaii Haanas National Park Reserve and the Gwaii Haanas National Marine Conservation area. These preserve the fragile ecology of one of the most wondrous spots in the world. This sailing voyage will work within Park regulations and codes of conduct, while providing you with unequalled access to the natural wonders of Haida Gwaii.

**GWAII HAANAS
A PLACE OF WONDER
with Robin K. Wright
June 22 – July 1, 2017**

On this trip you will visit Gwaii Haanas, home of the Haida people. The Haida are masters of the elegant formline art style that has excited anthropologists, art collectors, and art historians around the world.

Tour highlights include visits to a number of ancient villages, including a visit to the UN World Heritage site SGang Gwaay (or Ninstints). The *Island Roamer* crew will share their extensive knowledge of the natural history of Gwaii Haanas, and Dr. Wright will guide you through the villages of monumental art with the Haida Gwaii Watchmen, the caretakers at each village site. This trip will provide participants with an opportunity to explore Haida Gwaii in a unique way that allows access to an array of fascinating wildlife. Along the way you will see various species of whale, sea lions, seals, eagles, and hopefully puffins. Traveling with Dr. Wright you will learn about Haida culture, history, and art.

You are encouraged to come early or stay after the trip for a day or two, so you can rent a car and travel north to Old Massett to see more poles and visit with Haida artists. Bluewater Adventures can recommend a travel agent who can assist you with your travel arrangements.

ABOUT THE ISLAND ROAMER

This 68-foot ketch was launched in 1983. The boat's design, safety, and comfort make her particularly well suited for these trips. She sleeps 14 passengers in 7 private cabins, with 3 heads with hot showers. There is also a spacious, airy lounge, natural history library, and galley. A covered seating area on deck provides great viewing opportunities as well.

The *Island Roamer* affords easy access for people of any age and most physical capabilities. She is a Canadian Coast Guard certified passenger vessel and has all the safety and navigation equipment you would expect for a vessel of her standard. There are two large inflatables for shore excursions and both double and single kayaks for quietly exploring islands and shorelines.

The crew of the *Island Roamer* consists of a Coast Guard licensed captain, professional cook, and expert mate/naturalist. They all bring knowledge gained from years exploring the islands, and training in marine biology, education, ornithology, or anthropology.

ABOUT ROBIN K. WRIGHT
