

THE NEW BURKE

EVENT RENTALS

BURKE

MUSEUM

UNIVERSITY of WASHINGTON

A photograph of a modern museum interior. The space is bright and open, with a large glass wall on the left. In the center, a group of people, including children and adults, are gathered around a long white table, engaged in an activity. The background features large-scale displays, including a dinosaur skeleton and a bird skeleton. The overall atmosphere is educational and interactive.

THE NEW BURKE IS A
RADICALLY DIFFERENT MUSEUM

YOUR EVENT LIKE NO OTHER:

ALIVE

Six Galleries side-by-side
with visible collections
and labs

Iconic artwork, intricate
artifacts, and massive
dinosaurs dazzle in event
spaces

Your guests can forge connections and deepen their
understanding of science and culture.
