

MANTLES OF BOLD DECLARATION: WEAVING OUR STORIES

“Appliquéd button garments join traditional woven wool robes in declaring ancient clan exploits as well as contemporary themes of interfacing with the complex world of today. Wool woven robes’ designs no longer must be tied to ancient declarations but show the personal journey of the weaver.”

CO-CURATING ARTIST

Evelyn Vanderhoop, Haida, is a master weaver and watercolor artist of the Haida Eagle clan of Masset, British Columbia.
