A MUSEUM FOR EVERYONE

Get up close to the Northwest’s past, present, and future at the Burke. Featuring 12 state-of-the-art visible labs, views into collections storage spaces and an artists’ workshop, see the work typically happening behind the scenes of a natural history and culture museum unfold right before your eyes.

At the Burke, you see—and feel—a world alive. Regardless of who you are or where you came from—whether your family just got here or has called this land home for millennia—this is your museum.

LAND ACKNOWLEDGEMENT

The Burke Museum stands on the lands of the Coast Salish peoples, whose ancestors resided here since time immemorial. Many Indigenous peoples thrive in this place—alive and strong.
